FLANC Congratulates Jimmie Yeager!

Jimmie is a senior at UNC Charlotte, majoring in Spanish and minoring in Foreign Language Education. She is from Wake Forest, NC, and graduated from Wakefield High School in 2011. This semester she is interning at Mallard Creek High School in Charlotte, and will be student teaching there in the Spring. Jimmie is looking forward to being a Spanish teacher because she loves seeing barriers such as prejudice being dismantled, and one crucial factor in this occurring is learning each other's language. Jimmie states that, "Being a member of FLANC makes accessible many resources that will help me be the best teacher I can be for the sake of my students. I am very grateful to FLANC for this scholarship and to Dr. Scott Kissau for inviting me to apply for it."
