

Biology
Checklist for Secondary Education Minors

*Note: Passing the designated PRAXIS II tests in the appropriate content area is a requirement for licensure. Because there is no difference in the courses required for Biology Only vs Comp Science Licensure, the licensure recommendation will be determined by which PRAXIS II test the candidate chooses to take.

Biology Licensure Only	Comp Science Licensure (no difference!)
BIOL 2120	BIOL 2120
BIOL 2130	BIOL 2130
BIOL 2130L	BIOL 2130L
BIOL 3111	BIOL 3111
BIOL 3111L	BIOL 3111L
BIOL 3144	BIOL 3144
BIOL 3166	BIOL 3166
